Answered: 149 Skipped: 2

#	RESPONSES	DATE
1	I wish we had a little more time before school to talk to friends, but other than that, nothing else.	11/30/2020 3:59 PM
2	I do not wish anything were different at this school I think that our school is amazing in many different ways like the teachers, education, and all of our faith in God as a community.	11/19/2020 11:21 AM
3	The teachers should not mark us tardy if we're late.	11/19/2020 10:56 AM
4	I love our school and wouldn't change a thing.	11/18/2020 11:54 AM
5	I wish that we learned more about real life stuff like taxes.	11/18/2020 11:54 AM
6	A better locker system, it was always crowded last year (2019). Also, a better transition for the current system (2020)	11/18/2020 11:53 AM
7	At this school I wish that we could do more group projects because really enjoy doing that, and I wish that the dress code was a little less strict like at least being able to have not too loud of nail colors maybe the school colors and that boys' hair could exceed past their ears a little.	11/18/2020 11:53 AM
8	Our Lady of The Snows is amazing in everything they do but the one thing I would want to change is being able to wear our own jackets from outside of school inside the building because the classrooms get really cold especially in the winter time.	11/18/2020 11:53 AM
9	I wish that we didn't have uniforms.	11/18/2020 11:52 AM
10	I wish that we had a little bit longer of a first recess.	11/18/2020 11:52 AM
11	I wish that when it is snowing or raining out we can have a choice to go inside because it gets really cold. And with us 7th and 8th graders we have to walk back and forth and when it gets icy it is dangerous, and it will probably take longer to change classes which means less time to learn and to do work.	11/18/2020 11:52 AM
12	I don't have anything that I wish was different about Our Lady of the Snows School.	11/18/2020 11:52 AM
13	Not as much homework.	11/18/2020 11:47 AM
14	Some things that I would change about our school would be if we had more free dress days especially during covid times because we can not do a lot of fun activities right now.	11/18/2020 11:46 AM
15	I wish there was buddies but I understand why we cant this year.	11/18/2020 11:46 AM
16	What I wish were different is nothing. I like the school just the way it is.	11/18/2020 11:46 AM
17	Everything is fine.	11/18/2020 11:46 AM
18	I wish that everyone would get along even when it comes to how different everyone is.	11/18/2020 11:46 AM
19	What I wish that was different at this school is to have free dress days on Fridays.	11/18/2020 11:45 AM
20	I wish that we did more hands on and real life situations rather than working in a book.	11/18/2020 11:45 AM
21	I wish that at school this year, we wouldn't have to wear masks and that everything would just go back to normal.	11/18/2020 11:45 AM
22	Personally sometimes the 7th and 8th Grade boys can be a little disrespectful and rude.	11/18/2020 11:45 AM
23	I wish that some kids wouldn't pick on others cause I see that a lot and I don't think that is very supportive to the person being picked on.	11/18/2020 11:44 AM
24	A more challenging ELA/ Literature class.	11/18/2020 11:43 AM
25	nothing	11/18/2020 11:43 AM

26	I wish we could have vending machines at lunch.	11/18/2020 11:43 AM
27	I would like I lighter homework load because I am very busy after school	11/18/2020 11:42 AM
28	I wish that in religion class wouldn't feel like the teacher is pushing me to be a Catholic/Christian. Also I wish that the principal would do something with problems I come to him with instead of saying "You girls need to get along" , at least it feels like that is what he does.	11/18/2020 11:26 AM
29	I wish that we could go on field trips.	11/18/2020 11:10 AM
30	I wish we could have lunch outside when there is nice weather, instead of inside. In ELA and Religion i wished they would tell us what to bring, like what books and materials so that way we don't have to walk around with them all day intill that class. I wish we could have sports and feald trips.	11/18/2020 11:07 AM
31	I wish that we did more group activities and projects. I also hope to go on field trips this year.	11/18/2020 11:05 AM
32	I wish that we could do field trips in-person and work with others students more.	11/18/2020 11:04 AM
33	I wish that some of the lesson plans are more on point and that I learn more in each class especially more in math	11/18/2020 11:03 AM
34	I wish we went to field trips but I understand why we don't.	11/18/2020 11:03 AM
35	I wish that we were able to go on field trips, and I wish we could do more art and group projects.	11/18/2020 11:02 AM
36	I wish that we could go on more field trips, which of course is hard this year because of covid 19.	11/18/2020 11:02 AM
37	I wish there were no masks but I know they are mandatory. Also I wish we are allowed to have our phones out at certain times. And I don't really like uniforms.	11/18/2020 11:02 AM
38	I would say maybe more free dress days and not as much homework and a longer first recess. Also field trips that i can go on (without animals)	11/18/2020 11:02 AM
39	I wish that we could have free dress and wear nail polish. I also wish that we could have more sports that just basketball and volleyball for CYO.	11/18/2020 11:02 AM
40	I wish that there were more electives.	11/18/2020 11:02 AM
41	Something I wish was different is I wish we had more field trips.	11/18/2020 11:01 AM
42	I wish that we would go on more hands on field trips instead of listening to the teacher talk.	11/18/2020 11:01 AM
43	I wish the schools grading system was not as hard like if i have a 90 in a class that is considered to be a B and not a B plus or an A minus	11/18/2020 11:01 AM
44	I wish that we could go on field trips and get over covid so that we can participate in more activities.	11/18/2020 11:01 AM
45	nothing.	11/18/2020 11:00 AM
46	I wish we could do large projects with groups instead of alone.	11/18/2020 11:00 AM
47	I wish that we could learn about stuff that will help us in the future, like how to write a check.	11/18/2020 11:00 AM
48	I want this school to be more engaging in more things to help us in the future.	11/18/2020 11:00 AM
49	Sometimes I wish that the grading system would go by tens, but I feel like that is a good challenge to help me work on my grades.	11/18/2020 11:00 AM
50	I wish that we could have Bi-langual oppertunitys and have options for what language we learn and more school sports other than Volleyball and basketball.	11/18/2020 11:00 AM
51	I wish that our brakes were longer.	11/18/2020 11:00 AM
52	Nothing, I think our school is perfectly fine the way it is.	11/18/2020 11:00 AM
53	That the teachers wore masks, the principal was a little more on top of bullying.	11/18/2020 10:59 AM
54	I wish recess was 20 minutes in first recess like how it is 2nd recess because 15 minutes	11/18/2020 10:59 AM

5-8 Improving Student Learning For Catholic Schools 5-8

feels so fast.

55	I wish the grading scale was a bit different	11/18/2020 10:59 AM
56	I wish we didn't have to have strict uniforms and I wish that we were able to have our phone out when we have lunch, recess, or any break from the classroom.	11/18/2020 10:58 AM
57	I wish we could have more exciting field trips	11/18/2020 10:58 AM
58	I wish we had more freedom to choose groups that we think will collaborate well together. I also think we should spend more time actively learning instead of reading a textbook or workbook.	11/18/2020 10:23 AM
59	i wish that my school had after school activities and a soccer team!	11/18/2020 10:06 AM
60	I wish that our school would be in the actual school and not the parish center. Walking back and forth from the school and the parish center makes school seem longer. I wish that we don't have to wear these uncomfortable masks all day which sometimes can distract me from class making it harder to focus. Having to constantly social distance makes it harder to talk to my friends and eat lunch together. Wiping down our desks is like a chore that we have to do ever class, and sitting social distanced means that we can not do projects and have normal field trips. In the end, I just wish that Covid 19 would just go away.	11/18/2020 9:59 AM
61	I wish that we did not have to wear mask. I wish that we could continue to go on field trips. I also wish that we could have lunch together as a class and be able to go anywhere to play at recess, instead of having assigned playing areas.	11/18/2020 9:59 AM
62	As a girl I think it is unfair that we cannot wear makeup or nail polish because I like to express myself like that. I am fine with not being able to be on our phones and I think it is good because then we can focus on school, but I wish we could listen to music as that helps me with stress. I also wish that we could have free dress days more often. I also miss when we did not have to wear masks and we could sit closer to people.	11/18/2020 9:58 AM
63	I wish that we can go back to normal, and go on amazing field trips. I miss seeing all my friends they get to see each other everyday and I feel left out and invisible to them. I also wish that the masks go away because it's hard to breath at times	11/18/2020 9:56 AM
64	I wish that our school had school sports this year and the track meet. I wish we didn't have to walk back and forth all day to change classes. I miss seeing my friends before school every morning too.	11/18/2020 9:55 AM
65	One things I wish were different at this school are that we could go on more field trips, especially this year, and that we could sit by our friends while eating lunch inside. I also wish that it could be possible for us to choose our electives or maybe vote on them for everybody.	11/18/2020 9:55 AM
66	I wish that middle school could have a third recess and there could be an A+ in the grading system like other schools. I also wish that we could have our old class rooms back.	11/18/2020 9:55 AM
67	I wish that things can go back to normal and we can go on field trips again. Like how it used to be.	11/18/2020 9:55 AM
68	If anything had to change at this school, I wish that our grading system was not has hard and more like a normal one, and that everything could just go back to normal.	11/18/2020 9:54 AM
69	I do wish that we had buddies and more field trips, but I realize that is not available with Covid-19.	11/18/2020 9:53 AM
70	The school to go back to normal and field trips and more group activities.	11/18/2020 9:53 AM
71	I wish i was autally allowed to pick my in school electives instead of them being chosen for me	11/18/2020 9:52 AM
72	The one this that i wish were different was that w could have nail polish or no uniforme.	11/18/2020 9:52 AM
73	I wish it was not super hard to get an A and that A,s were from 90 to 100	11/18/2020 9:50 AM
74	I wish that at this school we could control more of what we learn and get to explore things we find interesting.	11/18/2020 9:50 AM
75	Recess and lunch at different times than the younger kids.	11/18/2020 9:50 AM
76	What I wish were different was wearing masks and bullying.	11/18/2020 9:49 AM
77	I wish our classes were different. Such as how our eighth graders are all above average and in	11/18/2020 9:48 AM

5-8 Improving Student Learning For Catholic Schools 5-8

geometry in math while some of our seventh are plain average and I feel that is holding some of us back.

78	I feel like everything at this school is okay and nothing needs to be change.	11/18/2020 9:47 AM
79	we could wear free dress instead of uniforms	11/16/2020 1:47 PM
80	Nothing	11/16/2020 1:44 PM
81	That we don't have that much homework because i always have stuff after school and never have time so i stay up tell 11:00 almost every night depending and i get stressed because of it also. i also would like it if the grading way was different becuase i have bad grades even if i try my hardest.	11/16/2020 1:37 PM
82	I wish that my school would have homework for all grades, and all the books online.	11/16/2020 1:37 PM
83	I wish that the teachers where allowed to talk about thinking green or talking about exeping others, I think on fridays when we have online school it was at least a 2 hour class. I dislike that we have to upload in math instead of just turning it in the next day in class. I also dislike that the kids here wont really let you be the person you really are.	11/16/2020 1:35 PM
84	That we had less homework and more uniform outfit.	11/16/2020 1:35 PM
85	I wish that the kids were nicer and their is way to much inappropriate and bad language. I also think it is overrated that they give us homework for the weekend, the weekend is our only time we do not have to worry about school work but here we do. Lastly the uniforms are not fun I want to go to school and express myself but I can not because I am forced to wear a weird uniform.	11/16/2020 1:35 PM
86	I don't want anything different at this school to happen.	11/16/2020 1:34 PM
87	Their are a few things that I would like to change at this school. The first one is the grading system. these grades are way tougher than regular grades, and it is way harder to get a good grade. The second thing that I would like to change is the Uniforms. I feel that uniforms take away the way to express ourselves through clothing, and they are very expensive! The third final and most important thing is that I think that we should be able to wear nail polish, Especially scene lots of the teachers wear nail polish. I tried to wear nail polish but got in trouble. then I would like to say that those are the only things that I would like to change!	11/16/2020 1:34 PM
88	I wish we didn't have to wear masks has much but besides that I would change nothing at all.	11/16/2020 1:34 PM
89	Uh I'm not really sure if this is a rule or not, but I kinda want to eat in class. Although, that's just a preference. I love this school and I really wouldn't change anything about it.	11/16/2020 1:33 PM
90	That they wouldn't stop me every single day to measure my skirt when it is the only skirt that fits my body!	11/16/2020 1:33 PM
91	There is anything to change about this school, the teachers are great, the principle is amazing, and my classmates are great too!	11/16/2020 1:32 PM
92	well I like a lot about the school and id rather be in school than at home distance learning however I would like to be in school on friday.	11/16/2020 1:31 PM
93	I wish some of the girls' were less judgie	11/16/2020 1:31 PM
94	Nothing. I've gone to this school for 7 years and have been here since kindergarten there is and I like it the way it is.	11/16/2020 1:31 PM
95	No homework.	11/16/2020 1:30 PM
96	I wish that we could have nail polish at our school because I don't think it is a distraction.	11/16/2020 1:30 PM
97	I do not wish that anything was different.	11/16/2020 1:28 PM
98	I wish we could go to the library and go to music class.(but I understand why we can't.	11/16/2020 11:46 AM
99	nothing	11/16/2020 11:38 AM
100	I think that there should be a special needs classroom.	11/16/2020 11:37 AM
101	nothing	11/16/2020 11:37 AM

102	I wish that we had a privet park, that we had a bigger cafeteria, and that we could have a little more privacy like not having two roads on each side of the school.	11/16/2020 11:36 AM
103	i wish i had third recess my head hearts because i can not get enough air with the mask	11/16/2020 11:36 AM
104	I wish that we got time for brakes so we don't have anxiety attacks. I also think we should be able to have longer lunch period.	11/16/2020 11:35 AM
105	nothing	11/16/2020 11:35 AM
106	That we didn't have to waer masks	11/16/2020 11:34 AM
107	math was eashy	11/16/2020 11:34 AM
108	I don't wish anything different about this school.	11/16/2020 11:34 AM
109	I wish that nothing was differnt.	11/16/2020 11:29 AM
110	I wish that everyone was a little nicer and respect others differences.	11/16/2020 11:29 AM
111	I wish we get more RECESS than 45 MINUTES EACH DAY!!!!	11/16/2020 11:29 AM
112	More recesses, more STEM projects, and more PE.	11/16/2020 11:28 AM
113	nothing	11/16/2020 11:28 AM
114	I wish that we could have more boy teachers they are amazing their more ethuseastic. I also wish we could not have stricter dress code about the dress code. something to go with that is to not be as strict for nail polish and stuff like that.	11/16/2020 11:28 AM
115	Nothing I love this school very very much.	11/16/2020 11:26 AM
116	I wish that we had more free dress days although I don't mind the uniform. Most of the time I love school and don't wish things were different.	11/16/2020 11:24 AM
117	the fact that we have to wear masks	11/16/2020 11:23 AM
118	I think i would change how some teachers treat children who are metally challenged.	11/16/2020 11:21 AM
119	I wish I didn't have hours and hours of homework at night. I like to take my time on my work, but this makes it hard when I have so much to turn in. I wish PE changed activities every year.	11/16/2020 10:06 AM
120	I want the bathrooms to have more sinks, the playground to not be public, and every classroom to have a sink, to have more of a variety for the uniforms, learn more on the computers, make it more friendly to people with disabilities, have more school time not week long breaks every season at least 1 time a month, have more pictures for the class of the class, and last but not least have a class pet like a hamster or a lizard that's name is Lizzardo. oh and take more surveys	11/16/2020 10:01 AM
121	I do not ant anything to change in this school, but I wish we had a class pet.	11/16/2020 9:51 AM
122	we get a break off for Halloween	11/16/2020 9:48 AM
123	Something that I wish was different about our school was if we could have time in class to do snowflake awards.	11/16/2020 9:48 AM
124	no bullies and fun in class	11/16/2020 9:46 AM
125	I wish that i can hang out with my step-brother, Alex Pattiloc in 6th grade. :(11/16/2020 9:46 AM
126	Nothing really, but I would like to have our own playground. Although, because of Covid-19 during the winter I won't be able to sit next to my friends in different classes, which makes me kind of sad.	11/16/2020 9:46 AM
127	That the top field wasn't public, and we have signs for dog poop to be picked up.	11/16/2020 9:45 AM
128	I wish the field didn't have as much dog poop on the field but it is okay because we don't really step in it, but when we do at lunch we are in the bathroom cleaning it off and don't get to eat. Other than the dog poop situation I can't complain about anything.	11/16/2020 9:44 AM
129	i wish that we had less work to do after school not nesaselery homework just afteschool work and ever since i was in like the end of kindergarten and forwerd i have had homework so like a	11/16/2020 9:43 AM
